MULTIMEDIA COMPANY QUE PRODUCTIONS WINS
NATIONAL TELLY AWARD FOR CREATIVE EXCELLENCE

(Babylon, NY-May 26, 2005) QUE Productions, a leading multi-media production agency in Babylon, was awarded the prestigious 2005 Telly Award in the category of best "How-To/Instructional." The silver statuette cited creative excellence in the production of a CD-ROM for Quantum Medical Imaging, a Ronkonkoma-based manufacturer of medical radiological systems.

"We're thrilled to be recognized for our work," said QUE Productions' President Susan Gatti. "The Telly is a top-industry honor that puts us in the company of some of the preeminent ad agencies and entertainment firms in the country."

The Telly Awards honor outstanding local, regional, and cable television commercials and programs, as well as the finest in video and film productions. This year, more than 10,000 entries were received from all 50 states. The award marks QUE Productions' fourth Telly in the last four years.

QUE Productions is a full-service film, video and multimedia production company serving the New York metropolitan area for more than 10 years. The company was recently selected by the Suffolk County Department of Economic Development to produce a DVD promoting local filmmaking and production. Companies and individuals with industry-related businesses in Suffolk County are eligible to participate in the initiative.
